SDH teachers are Christians who are competent and experienced in teaching, and are expected to be role model for their students. As SDH Teachers, they will:

1. Passionate for Jesus Christ and display Christ-like attitude towards all
2. Read and meditate on God’s words, apply and model his/her faith in daily life.
3. Understand God’s Big Story of the Bible, how that works in the world and able to teach the Words with passion
4. Closely align with YPPH Statement of Faith
6. Live out the school mission and guiding the students to fulfill the school vision and mission and also the graduate profile.
7. See the students as the image of God who has the ability to pursue excellence.
8. Exercising the craft of the Christian teacher with integrity and effectiveness, innovative, creative, committed to identify and develop the God-given gifts of the students.
9. Master the subject areas and able to connect Biblical Truth with the areas of study.
10. Be able to identify students’ different learning styles and create suitable learning activities to meet students’ needs.
11. Have sensitive awareness of the current culture, challenge the students and help them to develop alternative culture based on Christian perspective through learning experiences.
12. Stimulate sense of wonder & enthusiasm and encourage enjoyment of learning in his/her teaching.
13. Cultivate a shalom learning community in his/her class.
14. Understand and apply effective assessment to enhance learning, use evaluation based on grace, blessing & justice and maintain accurate records.
15. Collaborate with his/her colleagues to create an effective learning community.
16. Nurture students to be lifelong learners in pursuit of Truth
17. Help the students to identify, develop and use their talents as a response to their calling.
18. Care for the students’ well-being holistically and actively mentor and disciple the students to be the disciples of Christ.
19. Recognize the parents as the prime educators in student’s life
20. Maintain a balanced lifestyle, and consider his/her body as the temple of God. Dress professionally and in accordance with school expectations.
21. Encourage students to be aware and respond to the needs of the wider community and serve the society.
22. Fulfill his/her administrative responsibilities adequately and in the timely manner. Actively participate in faculty meetings, collaborate in planning & implementation.
23. Engage in self-development and further study. Has a plan for upgrading qualifications and actively grow in Biblical understanding of Education.
24. Share their expertise beyond the school community and society willingly.
25. Enthusiastically accept challenges, respond to God’s calling and is willing to move beyond his/her current position.
